

The CSC is a multidisciplinary non-profit center providing health, community and social services. We have two main points of service, one in Hamilton and the other in Welland. We are looking for professionals to fill the following positions in the Niagara area:

SOCIAL WORKERS- INTERPROFESSIONAL CARE TEAM

5 PERMANENT FULL-TIME POSITIONS - 35 HOURS / WEEK

WORKPLACE: St. Catharines, Niagara Falls, Fort Erie

Welland, Port Colborne (**Must be bilingual to fill position in Welland and Port Colborne**)

\$61,821 TO \$ 73,381

EXCELLENT BENEFITS

Under the direction of the Specialized Services Director and the supervision of the IPC Team Lead, the incumbent will always work according to the principles of health promotion and the determinants of health. He / she will offer psychosocial evaluations and interventions as well as develop and implement brief intervention plans. In addition, he / she will provide the appropriate referrals for clients with issues requiring long-term interventions.

RESPONSIBILITIES :

- Collaborate in the implementation of an engagement and promotion plan for primary care providers in independent practice and their clients
- Organize activities to raise awareness of mental health issues
- Provide assessment and individual mental health intervention services to clients of physicians in independent practice in the Niagara Region
- Contribute to client intervention plans by participating in case discussions and in collaborative care planning
- Participate, as needed, in community initiatives and committees to improve the quality of life of clients with mental health issues
- Participate in the development and application of intervention models that ensure quality services
- Liaise with community agencies to improve access to appropriate services in a timely manner
- Prepare reports, maintain records and maintain program statistics

SPECIFIC REQUIERMENTS:

- Master's degree in Social Work or a related field from an accredited university
- Member in good standing of Professional College (College of Registered Psychotherapists of Ontario)
- Developed sense of organization and in-depth understanding of mental health issues
- Ability to handle crises effectively
- Knowledgeable on the mental health community resources available in Niagara
- Openness to the customs and needs of diverse populations
- Good communication and interpersonal skills
- Ability to use computer software
- English and French skills (oral and written) are assets
- Ability to work within a non-traditional model of care
- Be willing to work flexible hours to meet client needs
- Have a valid driver's license and have access to a motor vehicle
